Shanghai Universe Electrical Appliance Corp.

COMPANY PROFILE

Shanghai Universe Electrical Appliance Corp. is a professional manufacturer specializing in Christmas lighting and decorative lighting products. Our company has been over 25 years. Our workshop covers 10,000 square meters. In order to meet the rapid development, we are expanding our production capacity. Our target is 12 million bulbs per month in 2024. Our products have been certified with CE, TUV, RoHS, etc.. As a manufacturer, we know the quality is the most important to customer, so we always take the quality as a priority. We warmly welcome customers from all over the world. We believe that our reliable quality and great reputation will meet your needs and requirements.

X'MAS LIGHTING WORLD

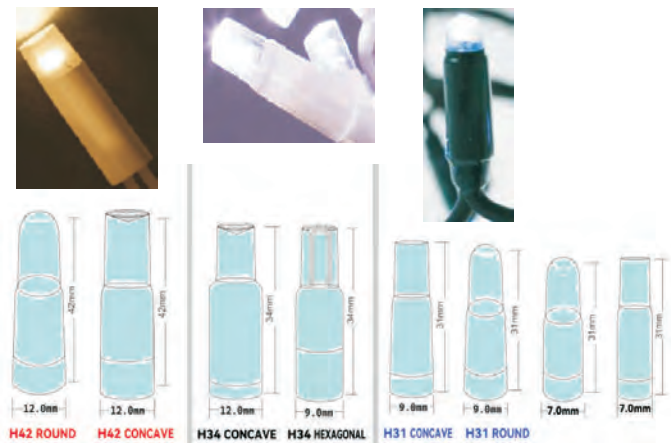

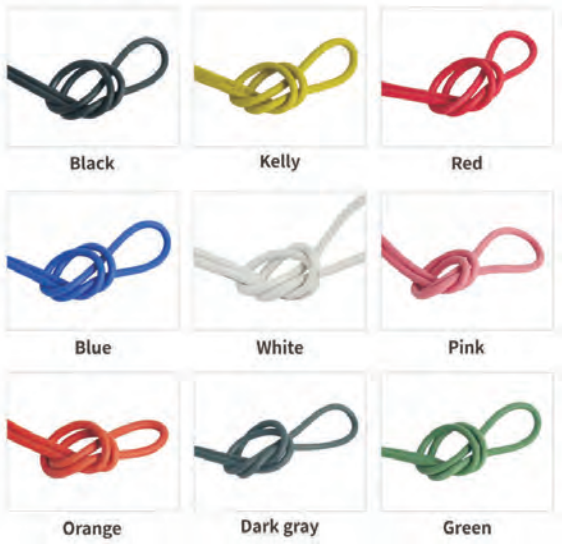

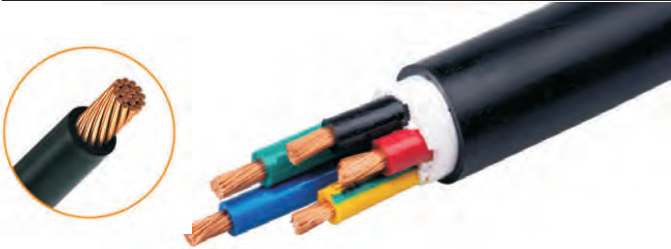

Introduction
